F. ACADEMIC STANDARDS FOR AWARD OF DEGREES

1. ***Undergraduate Grading Scheme.** The basis for determining a student's grade in a course is left at the well considered discretion of the individual faculty / Departmental Board of Studies. Since some courses are purely theoretical, some are purely practical and some have a theoretical as well as a practical portion, the grading scheme in the format given below may be followed by each department for the purpose of uniformity:-

***UNDERGRADUATE GRADING SCHEME**

Examination	Duration	Frequency	Weightage (%)	
			Theory	Practical
End Semester	3 hours	1 /semester	40-50	20-30
Sessional	1 hour each	2 /semester*	30-40	-
Quizzes	10 to 15 min	min 2/Cr Hr	10-15	-
Assignments/Projects	Own time	-	5-10	-
Practical /Lab work	2 - 3 hours	1-2 /week	20-30	70-80

(*One in case of Summer Semester)

***GRADUATE GRADING SCHEME**

Examination	Weightage (%)
End Semester Exam	50 - 60
Sessional Exam	50 - 50
Assignments / Projects	10 - 20

2. For purely theoretical and purely practical courses, the grading scheme is evident in the suggested format. However, for subjects which have the two categories (theory and practical) combined, the final grade is computed by multiplying the number of credits assigned to each category with the percentage marks obtained in that category and dividing the sum of the two by the total credits in that subject. For example:

Subject	Credit Hr		% Marks Obtained	
	Theory	Practical	Theory	Practical
Physics	3	1	70	90

$$\text{Overall Percentage} = (70*3+90*1)/(3+1)=75\%$$

3. The overall subject percentage thus obtained shall be rounded off by the individual faculty up to two decimal places. Fraction of 0.5 or more is rounded off to the next higher digit.
4. It is the University policy to workout GPA by awarding relative grading on a scale of 4.00 grade points according to distribution curve based on the performance of a particular class by the faculty. However, an exception to this policy will be observed in all cases of project, thesis and dissertation evaluation and where the class strength at Masters' level is less than 10.
5. The performance of each student in a course of study is graded as follows:

GRADE	GRADE POINT
A	4.00
A-	3.67
B+	3.33
B	3.00
B-	2.67
C+	2.33
C*	2.00*
C-	1.67
D	1.00
F	0.00
I	Incomplete

(* Lowest grade in case of graduate courses)

6. The performance in all cases of project, thesis and dissertation where class strength is 10 or less, grade

and grade points will be awarded as follows:-

MARKS	GRADE	GRADE POINTS
90-100	A	4.00
85-89	A-	3.67
80-84	B+	3.33
75-79	B	3.00
70-74	B-	2.67
65-69	C+	2.33
60-64	C*	2.00*
55-59	C-	1.67
50-54	D	1.00
less than 50	F	0.00
-	I	Incomplete

(*Lowest grade in case of graduate courses)

7. **Award of Grade ‘F’.** In addition to ‘F’ grade awarded on the basis of academic failure, a student shall not be allowed to appear in final examination of a subject in which his/her attendance is less than 75%, and he/she shall be awarded ‘F’ grade in that subject. 1. **Especially Egregious Non-Consensual Acts:** Acts that would be included in the category of rape. While such situations will be covered under the laws of the country, and law enforcement institutions and the courts will investigate and adjudicate accordingly, the HEI administration has a special obligation to take preventative measures, offer immediate assistance and take interim measures when required.
2. **Non-Consensual Sexual Contact:** Includes sexual contact with another person without consent.
3. **Sexual Exploitation:** Taking of actions that violate the sexual privacy of others or taking sexual advantage of another without their consent. For example, taking pictures, videotaping, viewing or distributing explicit images or sexual information of another person without their consent.

Other unwelcome behaviors are also prohibited if (i) they are based on an individual’s sex or gender (ii) are persistent or highly serious and (iii) create an atmosphere which is intimidating or hostile. These include but are not limited to lewd remarks or gestures, highly offensive jokes of a sexual nature, commenting inappropriately about another’s body, and stalking.
5. **Sex Discrimination:** Adverse treatment of individuals based on their sex or gender rather than on merit. This would include instances such as the singling out (for such adverse treatment as lower salary or grades, or more severe punishment) of person(s) on the basis of sex or gender.

All the actions categorized as sexual harassment when done physically or verbally would also be considered as sexual harassment when done electronically such as through the internet, e- mails, social media, texting, telephone, voicemail etc.

All actions of harassment or discrimination may be taken by a person of any gender against a person of the same or another gender, and would need to be considered by the HEI if the act qualifies as a prohibited act under the policy.

Sexual harassment is especially offensive when perpetrated by persons in authority, and when submission is made a condition toward any HEI activity or benefit (for example, when submission is made the basis of the evaluation of an individual).

Sexual harassment will be considered especially egregious when the accused knew or reasonably should have known that the victim was in an impaired or incapacitated state. However, impairment of the accused, such as a result of the use of any illegal substances, shall not diminish their responsibility for harassment under this policy.

2. Jurisdiction

This policy applies to actions by students, faculty, staff, other members of the University (such as interns, residents etc.), or third parties (such as service providers, visitors etc.), when the misconduct occurs:

1. on campus or in its immediate vicinity;
2. off the University property, if (i) the conduct occurs in connection with an HEI recognized program or activity or (ii) the conduct may create a hostile environment or pose a safety risk on campus; and
3. using the university's computing or network resources accessed from an
4. off-campus location, which shall be deemed to have occurred on campus.

4. Complaints and Reporting

A complaint may be lodged by any person who has experienced sexual harassment as defined in Section 1 (Prohibited Conduct) read with Section 2 (Jurisdiction) of this policy, with either the Focal Person or with any member of the Sexual Harassment Inquiry Committee.

In cases in which the conduct in question falls within the scope of the 2010 Harassment Act, the affected person shall also have an option to submit a complaint to the Ombudsperson in accordance with the provisions of the 2010 Harassment Act.

In the event that a complainant is reluctant to contact the Focal Persons or any members of the Inquiry Committee, the complainant may contact a colleague, instructor, the employment supervisor, manager, department chair, dean or VC. It will be the responsibility of the individual contacted to report the case to the Inquiry Committee without identifying either the complainant or the alleged offender and to ask for advice on procedure and policy from them to effect solution, if a solution is necessary.

Complainants shall be encouraged to submit complaints promptly, preferably within 3 months but no later than 12 months from the last date of the alleged harassment. An extension of up to 1 year may be granted by the Focal Persons or the Inquiry Committee upon written request stating the reasons for the delay in submitting the complaint.

All members of the University community are encouraged to report any instances of sexual harassment that they may have observed to the Focal Persons or the Inquiry Committee. For the purposes of safeguarding the campus community, University has an obligation to investigate material violations of this policy even in the event that a formal complaint has not been filed.

As soon as a complaint or report is received by one of the designated resources, it shall be shared by him or her (within a period of 24 hours) with all Focal Persons and members of the Inquiry Committee for further action.

For minor violations, complainants may opt to make an informal complaint to either the Focal Person or the Inquiry Committee. The primary objective of informal resolution mechanism is to take preventative action, so that minor violations are detected early and appropriate warning is given to the accused to stop the offending behavior before it reaches a higher degree of seriousness. If the incident reported through this mechanism constitutes prohibited conduct under Section 2 of this policy, the Inquiry Committee shall deal with the complaint accordingly.

5. Interim Measures and Special Arrangements

As soon as a complaint or report is received by designated resources or any member of the University administration, depending on the nature and seriousness of the offence, the Focal Persons shall take appropriate steps to provide interim measures that may be requested by the affected persons or as otherwise

may be deemed appropriate. If the affected person is not satisfied with the measures taken, he or she may contact any member of the Inquiry Committee for necessary action. Interim measures include but are not limited to:
